

# INTERNATIONAL JOURNAL OF AGRICULTURE

Volume 3, Number 2, 2011

S/No.	Contents	Authors	pages
1.	Effects of Post-Mortem Addition of Ethiopian Pepper Extract on Cooking Yield and Oxidative Stability of Broiler Meat.	Matthew Ajani Ayotunde Oluwatunbo Olorunsanya and Olufemi Adebukola Adedeji	1-5
2.	Comparative Analysis of the Socio-Economic Characteristics of Low and High External Input Technology Farmers in Imo State, Nigeria.	S. O. Anyanwu	6-15
3.	Impacts of Climate Change on Fisheries in Developing Countries: A Review	Jeremy S. Likongwe	16-25
4.	Inheritance of Dwarf Plant Height in Okra ( <i>Abelmoschus esculentus</i> (L) Moench).	Onuoha, E. R., Mbuka C. O., Onyishi, G. C., Aken'Ova, M. E., and Poly Mbah, C. P.	26-28
5.	Application of Combined Partially Burnt Plant Residue and Mineral Fertilizer on Soil, Growth and Yield Components of Maize (Pot Experiment).	Ayeni, L. S; Akinbani, A. S. and Adedeji, O. A.	29-36
6.	Varietal Influence of Maize on Soybean /Maize Intercrop in Southwestern Nigeria.	O. R. Adeniyi and Ayandiji A.	37-43
7.	On-Farm Demonstration of Intercropped Groundnut Samnut 11 for Striga Management in Maize Production in the Southern Guinea Savannah of Nigeria.	K. M. Isah and S. T. O. Lagoke	44-50
8.	Determinants of Intensity of Adoption of Improved Onion Production Package in Dugda Bora District, East Shoa, Ethiopia.	Taha Mume, Tesfaye Beshah and Habtemariam Abate	51-61
9.	Evaluation of Two Allelopathic Plants <i>Casuarina Equisetifolia</i> and <i>Eucalyptus Camaldulensis</i> for Biological Control of Weeds.	O. R. Adeyemi and Ajioye E.	62-66
10.	Propagation Techniques to Enhance Growth and Development of Red Mangrove Plant ( <i>Rhizophora mangle</i> )	Ambah, B. and Digha, O. N.	67-72
11.	Development and Performance Evaluation of a Cocoyam Planter.	T. Faleye, C. O. Olowojola and L. A. S. Agbetoye	73-78
12.	Response of Intercropping Ciwoea with Pearl Millet Infected with Downy Mildew ( <i>Sclerospora Graminicola</i> (SACC.) Schroet) on Panicle Weight and Panicle Length in the Savannah Zone, Nigeria.	Gaya, A. G.	79-82
13.	Fisheries Development Policies and Programmes in Nigeria and It' Implication for Food Security.	Imobighe M. U.	83-87
14.	Evaluation of the Performance of Improved Okra ( <i>Abelmoschus Esculentus</i> (L) Moench) Varieties in Bayelsa State, Nigeria.	C. Wariboko, I. A. Ogidi and E. Pade	88-92
15.	Small-Scale Farmers and Technical Efficiency Differentials: The Case of Male and Female Pineapple Producers in Esan West and Ughmwonde Local Government Areas of Edo State, Nigeria.	Esobhawan, Albert Odion and Alabi, Reuben Adeolu	93-99
16.	Rabbit Production: A Panacea for the Protein Deficiency Situation in Nigeria.	Balogun B. I.	100-105
17.	Resource Productivity and Efficiency among Rice Farmers in Lamurde Local Government Area of Adamawa State, Nigeria.	J. F. Shehu	106-111
18.	Response of Broiler Chickens Fed Graded Levels of Processed African Locust Bean Seeds ( <i>Parkia</i> spp) in their Diets.	P. J. Damang, S. O. Ogundipe and I. I. Dafwang	112-117
19.	Analysis of Constraints to Effective Performance of Agro Food Distribution System in Ebonyi State of Nigeria.	Okorie, G. C. and Ekpe, I. I	118-125
20.	Predicting Crop Water Requirement for Onion ( <i>Allium Cepa</i> ) using Blaney	Mohammed Yaji and Baba Gana Umara	126-133
21.	Ameliorative Effects of Organic Amendments on Yield Components of Pepper ( <i>Caosucyn annum</i> L.) in Crude Oil Contaminated Soil.	Osu, S. R. and Akpan, B. P.	134-141
